YOUR VOICE FOR CHOICE !

IMOP will support:

- A Bill of Rights and Freedom of Choice.
- Body Autonomy and the right to Informed Consent.
- The use of Natural Therapies.
- Fluoride-Free Water.
- The right to embrace your cultural heritage and traditional practices.
- Respect for Religious beliefs.
- Protection of Australia's Artesian Basin.
- Independent investigation of the impact of CSG activities.
- Independent studies on the effect of 5G and Advanced technologies.
- EMR, EMF Radiation safety limits in line with European standards.
- Disclosure of Geoengineering / Solar Radiation Management programs.
- Expansion of Regenerative Farming practices and the reduction of toxic chemical usage.
- GMO-free Food and an eco-friendly environment.
- Localised Community projects and Permaculture programs.
- End of Foreign Ownership and Corporate Influences.
- Investigation into the impact of global organisations – UN, WHO.

Truth, Transparency and Accountability in Australian Politics.

If you share our concerns and value our goals, please help by supporting IMOP in the Queensland State Election 2020. Find out more by viewing our policies, becoming a member and donating to the Queensland campaign.
