ALLONA LAHN & JASMINE MELHOP QUEENSLAND SENATE CANDIDATES 2022

ALLONA LAHN is a natural health advocate, freedom of choice ambassador, former successful business owner and now farmer living in the Gympie region.

Allona is fearless and committed and is concerned about the poisoning of the people, the earth, our food, water, air and animals.

Australia needs independent inquiries into the ill health epidemic, corruption in Government and corporations, media bias and bullying, censorship, vested interests and political spending.

It is time to get back on track, honour the will of the people and once again make Australia the great country it once was.

JASMINE "JAZZY" MELHOP

an accredited Bowen Therapy
practitioner and teacher. She has
cultivated a keen interest in human
rights and freedom of choice.

Jasmine advocates and volunteers for multiple community groups and is passionate about the importance of rebuilding the robust support networks which past generations thrived on.

"I will advocate for people to have full informed choices, expose unjust coercion enabling every Australian to be heard"

VOTE 1 INFORMED MEDICAL OPTIONS PARTY (IMOP)

Why Vote 1 for IMOP

- NO mandatory Covid 19 vaccine.
- End ALL current mandates and restrictions. Prevent further erosion of rights and choice.
- Demand government truth, transparency and accountability.
- Remove 'neuro-toxic' fluoride from the few remaining Queensland water supplies.
- Defend people's rights to use traditional and natural therapies, and include them in the public health system.
- Advocate for government funded natural and midwife assisted births.
- Education reform; support alternative, community and homeschooling education groups.
- ✓ Legalise medicinal cannabis.
- ✓ Demand truly independent health research and safety studies.

- ✓ Mandatory reporting of ALL vaccine and drug adverse events.
- Protect the environment and animals.
- Halt 5G until independent studies and safety levels are assessed on human and animal health, and the environment.
- Promote permaculture, and organic food and farming (chemical free). Promote GMO free food and labelling.
- ✓ Invest in ethical energy and living.
- Encourage and support small and local business.
- ✓ Protect community banks and cash.
- ✓ Limit foreign ownership of business, land and water.
- Scrutinise impacts of mining and fracking on the environment.
- Freedom of choice and speech.
- ✓ NO forced medication, NO mandatory or coerced vaccination.
- ✓ Less regulation, rules, red tape and laws across the board.
