TONI MCMAHON
HOUSE OF REPS FOR HERBERT, QLD

Your Voice for Freedom of Choice at the Next Federal Election

I will fight for your democratic rights as follows:

1 End ALL current mandates and restrictions. Prevent further erosion of rights and choice.

2 Remove all the No Jab No Pay/Play policies, so parents are no longer penalised for their choices and support community schools and more support for alternative and home-schooling.

3 Demand government truth and transparency and disclose ALL conflicts of interest in all areas.

4 Improve the Department of Veteran Affairs with better advocacy and advice, and a fairer, simplified and streamlined system. End defence force personnel being used as guinea pigs for pharmaceutical companies.

5 Defend the right for Australians to choose traditional and natural therapies and include them in the public health and DVA system.

About Toni McMahon

Toni is a born and bred Queenslander, small business owner, Aromatherapist, Masseur and developer of handmade natural and organic products.

Toni joined the Australian Army in 1996 where she served in East Timor which resulted in her being part of the now infamous Tafenoquine drug trials. These unethical drug trials have caused long-term, serious harm to many Australians serving this nation and were the beginning of Toni's journey to expose the deception and cover-ups so prevalent between government departments, pharmaceutical companies and the citizens of Australia.

"There is nothing quite like firsthand experience of a medical cover-up to inspire you to fight for your rights".
