INFORMED MEDICAL OPTIONS PARTY (IMOP) PETER LAMBETH QUEENSLAND SENATE CANDIDATE 2022

Peter is a proud Queenslander who can see the enormous potential of his great state. However, he believes that the future has been threatened in recent years by government overreach and unnecessary interference in people's lives.

Peter operates a small business and he has witnessed the difficulties thrust upon small businesses and their employees due to excessive bureaucracy, lockdowns and mandates, coupled with a complete lack of resources where they are truly needed.

As a former member of the Queensland Greens, Peter understands the political system and how the major parties, including the Greens, say one thing and mean another. Peter has decided to join with IMOP, who, he says, not only talk the talk but walk the walk of their convictions. This is fundamental to a functioning democracy.
