

SILVIA MOGOROVICH

HOUSE OF REPS FOR LEICHHARDT

I will fight for your democratic rights:

HEALTH: End medical mandates that are damaging our region, socially and economically.

Support a Royal Commission into the disproportionate COVID-19 response at State and Federal level.

Protect the right to choose or refuse any medical products or procedures without discrimination.

BUSINESS: Support small business. Develop policies for less regulation, and red tape.

Protect our cash economy and the right for all Australians to make an anonymous transaction. Limit foreign ownership of business, land and water.

ENVIRONMENT: Phase out chemicals that affect our environment, including glyphosate, neonicotinoids and other toxic chemicals.

Invest in ethical energy and sustainable living. Reduce pollution and promote recycling and upcycling initiatives.

COMMUNITY: Upgrade roads, improve and expand public transport and promote regional air travel, to encourage travel around the region.

EDUCATION: Support community schools and more support for alternative education and home-schooling. Promote trade apprenticeships and work experience in local industries.

SILVIA MOGOROVICH

HOUSE OF REPS FOR LEICHHARDT

I am running in this election to represent to the people of Leichhardt, and rekindle our Constitutional values of freedom, fairness and equality. Far North Queensland is a unique part of the world, with an abundance of natural resources, and driven by entrepreneurial small business owners in the agriculture, fishing and tourism industries. Rather than applying the usual bandaid solutions for our major issues, I am working to create real change from the grassroots. I will work with community stakeholders to develop opportunities and initiatives for the people of this region.

The IMOP motto of 'Truth, Transparency and Accountability' is the basis of my political campaign –I believe these are the minimum requirements that all politicians should adhere to when representing the people of Australia. IMOP has equitable and sensible policies, but more importantly, the people are courageous, diligent and heart-driven – there is no other political party that is as eminently trustworthy.
